

Environment Health and Safety Policy

- We at AL GHANDI AUTO shall develop and implement an EHSMS within our areas of jurisdiction to protect our employees, the community and the environment from any adverse impact on health, safety and environment arising from our activities.
- We shall provide and maintain a safe environment for workers, avoid any risk to human health and avoid adverse impact to environment and prevent environmental pollution.
- We shall regularly audit our EHSMS and strive for continual improvement.
- We are committed to prevention of pollution.
- We are committed to prevention of injury and ill health.
- We are committed to the wellness of our employees.
- We are committed to continual improvement in EHS management and EHS performance.
- We are committed to comply with applicable legal requirements and with other requirements to which our organization subscribes that relate to our EHSMS related activities.
- We shall document the EHS Management System which will be the framework for setting, reviewing and continually improving EHS objectives and targets.
- Our EHSMS shall be documented, implemented and maintained.
- This Policy shall be communicated to all persons working under the control of the organization.
- This policy shall be made available to interested parties.
- This policy shall be reviewed periodically to ensure that it remains relevant and appropriate to the organization.
