

CITY BUS

Technical Offer: XML6125J13C – (32+1+4deployable+80 Standing)

SYSTEM	PART NAME	DESCRIPTION
GENERAL	Overall Dimension - L×W×H	11980× 2540 × 3150 mm
	Wheelbase	6100 mm
	Fuel Tank Capacity	200 L with lockable fuel cap
	Max Speed	>=100Km/h
	Seat Capacity	(32+1+4deployable+80 Standing) -117 Seater)
CHASSIS	Engine	CUMMINS ISLe 310 31(EURO III), Displacement: 8.9L, six cylinder, 4cycle diesel engine, Turbocharged. Max power:228kW/2200rpm,

		Max torque:1200 N.m/1000-1500rpm
	Clutch	Chinese brand, dry type, Φ430
	clutch booster	WABCO , dry type torque 1200N.m, friction diameter 430mm, hydraulic
	Transmission+ Retarder	QJS6-90,manual, six gears, with electromagnetic retarder – ZF Technology
	Front axle	Chinese, 6500 Kg, with anti-roll bar, heavy duty I-beam
	Rear axle	Chinese, 13000Kg, fully floating ,single speed
	Suspension	Leaf spring , ZF shock absorber
	Steering wheel	Hydraulic power assisted
	Tyre	275/70R22.5,radial tubeless tire
	Spare tyre	Equipped
	Brake system	Drum type, dual line full air brake with exhaust brake, spring actuated parking brake acting on rear wheels.
	Air dryer	WABCO
	ABS & Auto slack adjuster	WABCO ABS + HEDLEX auto slack adjuster
	Engine compartment heat insulation treatment	muffler outside engine compartment, exhaust pipe wrapped with asbestos
	Variable speed control for selection device	Two flexible shaft control
	Towing devices	Front and rear
	Engine exhaust brake	Equipped

BODY	Floor	Flat floor
	Painting	Standard paint (Determined by purchaser)
	Driver seat	Air suspension, leather, adjustable, three-point belts
	Passenger Seat	(32passenger +1driver +4deployable +80 Standing) -117 Seater)
	Passenger belt	Equipped
	Trim of roof	PVC panel
	Front sunshade curtain	Two adjustable pieces
	Top hatch	Two, with 4 ventilators
	Dashboard	City bus dashboard
	Door Emergency valve	Equipped
	Middle Door	Dual swing-in door
	Rear door	Dual swing-in door
	Driver door	Equipped
	Rear engine compartment door	Over-flapping aluminum alloy luggage door
	Front windshield	Two pieces
	Driver Window	Manual driver tempered glass
	Side window	Sliding windows, with guardrail
	Floor Material	15mm bamboo floor
	Outside Rearview Mirror	Manual bracket, left right short long
	Emergency Hammer	6 units

	Air intake	Rear side wall intake
	Fire Extinguisher	2*2KG
	Engine fire extinguishing device	Equipped
	Side compartment door	Over-flapping aluminum alloy luggage door
	Driver's Side window curtain	Driver's window curtain hanging strip
	Side window decoration	Extrusion molding
	Side wall decoration	PVC board Light color cladding
	Floor carpet	Gray colored, door opening area with yellow colored, disabled area with blue colored
	Guard rail	Front door guardrail +middle door guardrail+ rear door guardrail +side window guardrail+ roof guardrail
	Driving cab	Guard rail, PP board
	Driving habit	LHD
	Wheelchair fixing mechanism	Equipped
	Electric ramp for wheelchair	Equipped
	Seat number	Equipped
	Interior rear mirror	Equipped
	Appearance	MAN appearance
	Standing passenger armrest	Equipped

	Bumper	Front & rear equipped
ELECTRICAL EQUIPMENT	Driver's fan	Equipped
	Top lights	8 square lamps
	High position brake lamp	Equipped
	Inside audio horn	6 units
	Inside audiovisual system	DVD player with radio, with microphone
	Driver micro phone	Equipped
	Front Display	19 inch LCD (fixed)
	Reversing monitor	Color reversing monitor
	Monitor system	Total 5 , front door+middle door+rear door+front roof+rear roof with 320G recorder
	Digital clock	Equipped
	Meter	CAN bus instrument
	Wiper	Front
	Engine Alternator	Prestolite alternator,90A
	Battery	2×180Ah
	Harness specification	125°C harness heat resistance outside and 105°C harness heat resistance inside
	Tachograph	equipped
	Emergency flameout switch	Equipped
	Reversing buzzer	Equipped

	Get-off ring	Equipped
	Audible warning	Equipped
	Engine fire extinguishing alarm device	Equipped
	Air Condition	Equipped
	Defroster	Front defroster
	Total circuit switch	Equipped
	Electric horn	Equipped
	Engine compartment temperature alarm device	Equipped
	The main lamp (rear wall)	Standard
	The main lamp (front wall)	Standard
Other EQUIPMENT	Grease gun	Equipped
	Jack with wheel wrench	Equipped
	Cigarette lighter	Equipped
	Mud guard, rear	Equipped

Available Optional		
PART NAME	DESCRIPTION	PRICE in USD
Air Condition	DENZO / SONGS – 30,960-34,400kcal/h	
Middle Display	19 inch LCD	

LED Dot matrix	At the front, rear, right side and inside	
Destination Board	Destination reported device for Off-board passenger
